EMPIRE

EMPIRE TOP GUN™ Laser Beam Level

Model No. 970-01

- ▶ Made of anodized aircraft quality aluminum
- ▶ Class II laser diode is 30% brighter than most competitor's. Accurate to within ± 1/4" at 100 feet
- ▶ Uses include installing countertops, wainscoting, cabinets, masonry work, chair rail
- ▶ Kit includes laser beam level, instruction book, carrying case, 4 laser targets, 2-AAA batteries

EMPIRE TOP GUN™ II Laser Torpedo

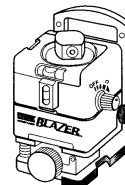

Model No. 971-02

- ▶ Made of anodized aircraft-quality aluminum
- ▶ Class II diode. Accurate to within ± 1/4" at 100 feet
- ▶ Powered by two long-lasting AAA batteries

EMPIRE

EMPIRE BLAZER™ Rotary Laser

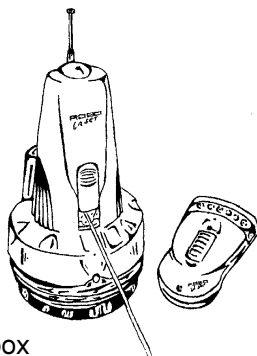

Model No. 972-01

- ▶ Laser projects a 360° laser reference line accurate to within ± 1/4" across a 50' radius.
- ▶ Reduces time and manpower needed when laying out drop ceilings, walls, floors, cabinets, etc.
- ▶ Sets up in minutes for either plumb or level operation
- ▶ Easily attaches to tripod
- ▶ Kit includes 25 laser targets, laser assist viewing glasses, acoustical ceiling angle bracket, leveling platform, batteries, instructions

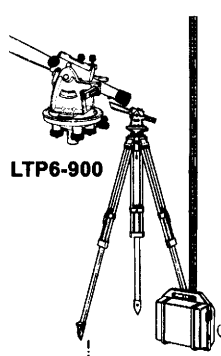

ROBOLASER

Instant 200' Level

- Remote Controlled
- Accuracy ± 1/8" over 100'
- Full 360° Rotation
- Automatic leveling
- Dust, Dirt, Water Resistant
- 1 Year Warranty
- Tripod mount

Includes RoboLaser, Remote & Kitbox

LTP6-900

DAVID WHITE

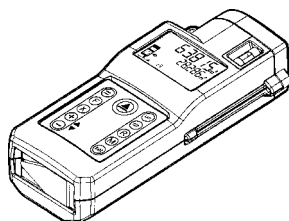

LTP6-900 Level - Transit Package

- Accuracy 1/4" @ 75' • 9050 Tripod
- 7700 Leveling Rod • Range 200'
- Plumb Bob • Horiz. Circle • Case

ROBOVECTOR

Instant 100' Plumb Bob, Level & Square

- Accuracy ± 1/4" over 70'
- Range 100'
- Automatic leveling
- Dust, Dirt, Water Resistant
- 1 Year Warranty
- Tripod mount

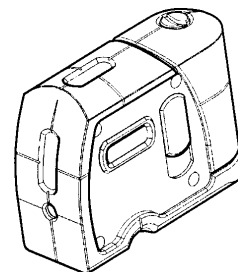

Includes RoboVector, Kitbox, Multipurpose accessory

ROBOTAPE

Instant 300' Tape Measure

- Laser Measurement
- Mathematic Calculations
- Accuracy ± 1/8" over 300'
- Memory: 1000 measurements
- Range 1' to 300'
- Feet or Meters
- 1 Year Warranty
- Tripod mount

Includes RoboTape, Target & Kitbox
